“Congratulations on your purchase and **Thank You** for choosing the Groov-e GV-LT01 Cuties Colour Changing LED night light. Please read the guide carefully before using.”

IMPORTANT SAFETY INFORMATION

Read this important information carefully before you use the Night Light and save it for future reference.

- 1.** Fully charge the night light before first use. Only use the USB cable that was supplied with the product.
- 2.** This product has an integral rechargeable battery and should not be disposed of in the normal household waste but taken to an appropriate recycling facility, where and when these are available.
- 3.** Never throw batteries in a fire or attempt to open the outer casing.
- 4.** This product does not contain any user serviceable parts. Unauthorised handling of this night light may damage it and will void your warranty.
- 5.** Keep it dry. Avoid exposure to precipitation, humidity and liquids which could all affect the product circuitry.
- 6.** Do not leave in low temperatures as moisture can form inside the product, which may damage the circuit board.
- 7.** Do not leave it in high temperatures as electronic devices and plastic parts may warp in heat.
- 8.** Keep it away from bright sunlight or heat sources, such as a radiator.
- 9.** Never place any type of candle or naked flame near the product.
- 10.** Use only under adult supervision, especially for children under 6 years old.
- 11.** This product is for Indoor use only.
- 12.** Never use this product if the silicon cover or base is missing, damaged or broken.
- 13.** Do not remove the night light from the silicon cover.
- 14.** Do not impair the light function of this product by covering it with fabric, blankets, clothing or papers etc.

OVERVIEW

IN THE BOX

- **1 x** GV-LT01 Cuties LED Night Light
- **1 x** Micro USB Charging Cable
- **1 x** User Manual

Tap Sensor

REAR

Micro USB charging socket

Night Light

The power button, tap sensor and USB socket can be found on the base of the night light.

1. Power On/Off and Timer setting button

- **Long press:** Power on with a 50% warm white light
- **Long press:** Power off
- **Short press:** Set the timer to 30 or 60 minutes or timer off.

2. Micro USB charging socket

- **Red LED:** Charging
- **Green LED:** Fully Charged.

OVERVIEW

3. Tap the top or base of the Night Light:

1st tap: When the night light is on, changes from 50% to 100% warm white light.

2nd tap: Colour changes begin with 7 different colours.

3rd tap: When you would like your night light to stay on a particular colour.

4th tap: The night light will turn off. Alternatively, press and hold the power button.

OPERATION

Charging the Night Light Integral Battery

1. Your night light has an integral rechargeable battery. Before you use your night light for the first time, you will need to fully charge the battery. From a full charge you will be able to use your night light for approximately 12 hours.

2. Plug the Micro USB end of the supplied USB charging cable into the Micro USB socket on the night light. Plug the USB-A (standard) end of the charging cable into a computer or other USB charging device.

3. A red battery charging LED will turn on and the night light will begin to charge. When the charging LED changes from red to green, your night light is fully charged.

4. Unplug the USB charging cable. Your night light is now ready for use.

OPERATION

Power On/Off

- 1.** Long press the  Power button. Your night light will turn on with a 50% warm white light.
- 2.** Long press the  Power button again. Your night light will turn off.

Mood Lighting Colours

With your night light turned on:

1st tap: Tap the night light on the top or base to increase the 50% warm white light to 100%.

2nd tap: Tap the night light again and the colour changes will begin, with 7 different colours.

3rd tap: Tap the night light again when your favourite colour is displayed, to stay on that colour.

4th tap: Tap the night light again to turn the light off or alternatively press and hold the  power button.

Night Light Timer

You can set your night light to turn off automatically with options of 30 and 60 minutes available.

With your night light turned on:

1. Short press the  power button to choose a 30 or 60 minute timer or timer off. Check the base of the product, where the timer setting is indicated.

BATTERY DISPOSAL

This product contains batteries and should not be treated as normal household waste and should be recycled. Please take it to your nearest collection facility or for further details contact your local council or visit www.recycle-more.co.uk

Batteries contain substances that may be harmful to the environment and human health. Keep out of the reach of children and seek immediate medical help if swallowed.

Never throw batteries into a fire or attempt to open the outer casing. Should your product develop a fault please visit our website at www.groov-e.co.uk

Environment Protection

Waste electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your Local Authority or retailer for recycling advice.

GUARANTEE

Subject to the conditions stated below, groov-e guarantees this equipment against defects in workmanship or materials of its mechanical and electronic component parts (excluding styling, battery cells, magnetic tapes, re-chargeable batteries, user removeable memory devices, with the exception where the battery is inbuilt into the product) for a period of one year from the date of purchase. This product will be repaired or if necessary replaced free of charge if it has been proven to be defective within the one year warranty period.

1) Claims under this guarantee should be made through the authorised dealer/retailer from whom the equipment was purchased. If this is not possible, please contact groov-e directly.

2) This guarantee is only valid when the equipment is purchased and retained within the United Kingdom and a valid proof of purchase has been provided.

3) This Guarantee Excludes:

(i) All damage caused through accident, misuse, wear and tear, neglect, installation and/or use in a manner inconsistent with technical and safety standards.

(ii) Alterations or adjustments made to equipment

(iii) Loss of data resultant from malfunction of hard drive or other storage device

(iv) Damage caused to any third party device as a result of using the product.

4) No liability under this guarantee shall be incurred:

(i) In respect of damage or loss occurring during transit to or from the purchaser

(ii) Where the serial number plate of the equipment has been removed or altered in any way.

5) groov-e shall not be liable for consequential damage, loss or injury arising from or in connection with the equipment, excepting only that nothing in this condition shall or shall be construed so as to exclude or restrict liability for negligence.

6) The cost of carriage to and from groov-e shall be borne by the purchaser.

7) This guarantee is personal to the original purchaser and is not transferable.

8) If the equipment, in respect of which a claim hereunder is made, is found on examination to comply with the published specifications, a test fee may be incurred.

This guarantee is in addition to and does not in any way affect any statutory or other right of consumer purchasers, including those rights in relation to sections 13 to 15 of the Sale of Goods Act 1979, the Sale and Supply of Goods to Consumer Regulations 2002, The Consumer Rights Act 2015 or the Sale of Goods and Supply of Services Act 1980 (for ROI).
